Mercy

history

On September 24, 1827, Catherine McAuley opened the House of Mercy on Baggot Street in Dublin, Ireland, including the first "Mercy School" – a classroom dedicated to training young women. In 1831, Catherine and two companions took vows to become the first Sisters of Mercy, beginning a religious order to carry on their important service to those who were poor, sick and uneducated. Sisters of Mercy and their companions, associates and co-workers continue Catherine McAuley's mission of education. To ensure that mission into the future, the Sisters of Mercy established Mercy Education in 2017.

The Mercy High School Michigan tradition began in 1945 when the Sisters of Mercy opened Our Lady of Mercy High School at Outer Drive and Southfield Roads in Detroit. The Sisters of Mercy established the school to offer young women the opportunity to receive a value-centered education in an environment of academic excellence. As enrollment grew, Mercy relocated to a new and larger building in Farmington Hills in 1965. Mercy is proud of our 17,000+ alumnae throughout the world who are now making a difference.

mission

Compelled by our Catholic *faith*
and the *spirit* of the Sisters of Mercy,
Mercy High School is a premier
college preparatory School that *educates* and
nurtures young women of *diverse* backgrounds
to *excel* academically, *serve*
compassionately, and *lead*
courageously.

faith

As a Catholic school, faith formation is an important part of a student's development at Mercy.

suscipe

My God, I am yours for time and eternity.

Teach me to cast myself entirely into the arms of Your loving providence, with the most lively, unlimited confidence in your compassionate, tender pity. Grant me, O most merciful Redeemer that whatever you ordain or permit may be acceptable to me. Take from my heart all painful anxiety; suffer nothing to sadden me but sin, nothing to delight me but the hope of coming to the possession of You, my God and my all, in your everlasting kingdom.

The four-year curriculum in Religious Studies provides a solid Catholic foundation with an emphasis on morality, theology, and scripture. Beyond the classroom, Mercy offers students many opportunities to deepen their faith and align experiences to the Core Values and attributes defined in the Mercy Education Profile of the Graduate. The Office of Mission & Ministry strengthens the spirituality of the student body through daily prayer, Mass, retreats, prayer services, Rosary, Youth Mercy Associate program, service projects, organizational outreach, and special Mercy celebrations.

A VOICE FOR
DIGNITY AND RESPECT

Our Core Values are the hallmarks of a Mercy Education.

These are the ideals we stand up for and strive to live up to.

We hold ourselves to these standards as an institution,

as a community and as individuals.

Each value is interconnected and necessary as we take

Mercy into the world.

curriculum

Our engaging curriculum allows each student to explore their spiritual and academic interests, while preparing them for life beyond the halls of Mercy.

Freshwomen can expect to take classes in Jesus and the Church, World History, Mathematics, American Literature, World Language, Biology, Speech and an Elective. Through their remaining years, students have a variety of elective course offerings available to provide them with a well-rounded college preparatory education. Academic amenities include: three computer labs; specialty labs for science, world language, digital design; and a robust Robotics Center.

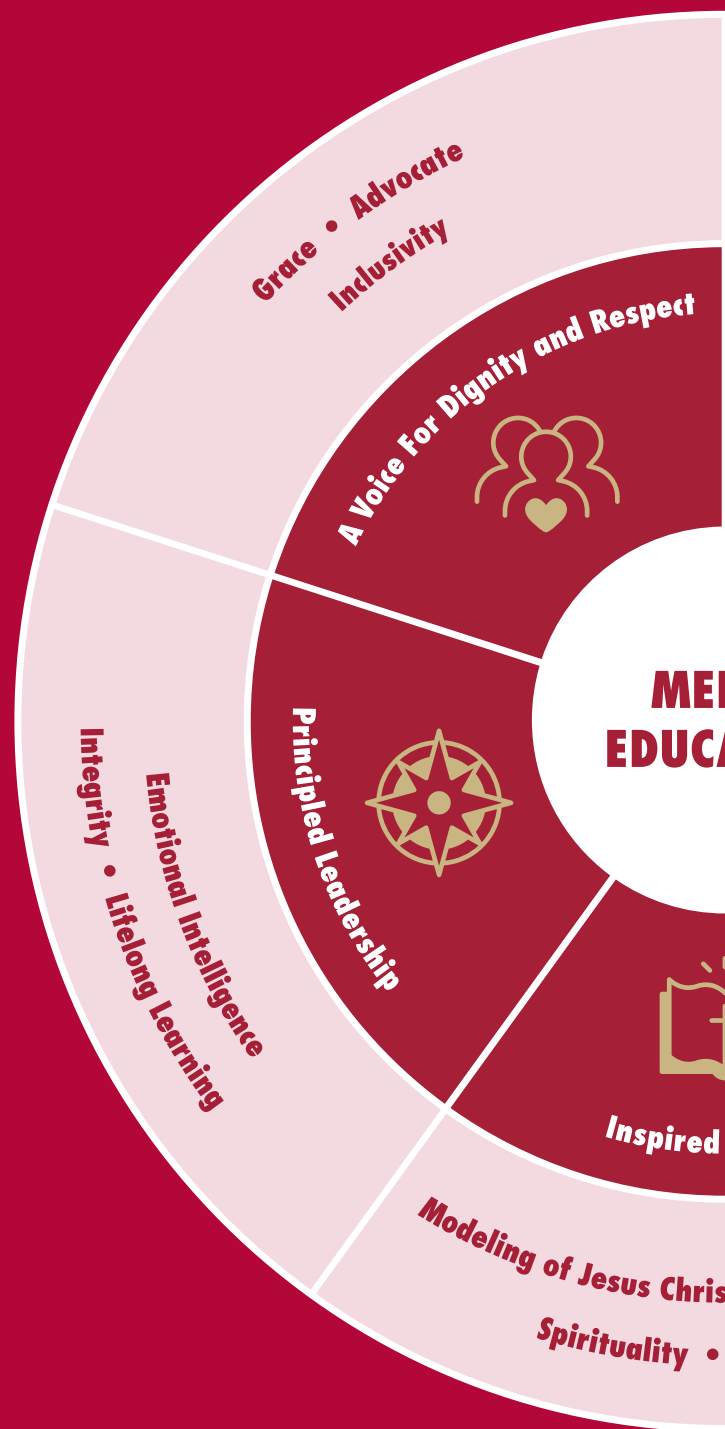

Student **support** and wellness guidance counselors help students navigate issues in their academic, personal, and emotional areas of life.

Counselors are also instrumental in the pre-college testing and college application process. Mercy provides each student academic support in the form of tutoring and mentoring. Our Academic Mentoring & Educational Support (AMES) Program includes full-time professionals committed to creating an inclusive academic learning environment.

Our Profile of the Graduate is how students come to manifest and embody our Core Values.

It is the culmination of everything a Mercy Education hopes to achieve. Throughout the student's journey, this blueprint defines the attributes they're expected to acquire and the steps they'll take to gain them. With the Profile of the Graduate, every experience and academic opportunity is linked to and aligned with our Core Values.

profile of the graduate

vision

As a shining lamp

of *Catholic* education,

Mercy High School *inspires* young women

of diverse backgrounds to lead

faith-filled lives, use their *Voices*,

and achieve their *goals*.

Our graduates exemplify unity,

empathy, knowledge, and leadership

to *make a difference* in the world.

school life

A Mercy Education balances academics, interests outside the classroom, spirituality, and community service.

Mercy offers many opportunities for involvement and participation with 45+ activities, clubs, community service projects, spiritual exploration, athletics, arts and STEM.

The common thread among staff, students, and parents is a commitment to academic excellence, cultural diversity, and integration of Mercy Core Values into daily life.

service

As we pursue a personal relationship with God, we earnestly follow Jesus Christ's example of social justice, love and service.

Our shared sense of social consciousness is fortified by universal empathy and a conviction that all are worthy of God's mercy. This deep awareness and compassion move us to take principled action and serve the needs of others. 40 hours of community service completed over four years is a graduation requirement, yet many students serve above and beyond to share their time and talents.

[We should be] as the

compass that goes round

from its center. Our center

is God, from whom all our

actions should spring as

from their source.

tuition assistance

A Mercy Education may be more affordable than you think. In keeping with our school mission, Mercy is proud to award approximately \$1M in financial aid and scholarships annually.

QUICK FACTS

- The school day is 8:00 am - 2:40 pm
- Average classroom size is 22
- Students can take up to seven classes a semester
- Dual enrollment college credit opportunities
- Daily Adviser Group
- College preparatory schedule to promote time management and collaboration

The Mercy High School Financial Aid program consists of Tuition Assistance and Named Scholarships. Financial aid is awarded annually by the Mercy High School Financial Aid Committee on the basis of financial need as determined by FACTS Management Grant & Aid Assessment and/or special requirements of the named scholarships. The total amount of financial aid distributed each year is based upon the availability of funds and the number of qualified applicants.

accessibility

Each morning, students from over 70 Detroit Metropolitan communities commute to Mercy. Bus service is available in some areas; carpooling is the most popular way to get to school. The Mercy building is open before and after school hours to accommodate early arrival and late departure needs.

visual arts

While the art curriculum provides a program designed for the college bound art major, it also remains flexible to meet the elective needs of all students. All classes are semester classes and focus on studio art production. Lessons in art history, art criticism, aesthetics, art careers, studio etiquette, and technology are also integrated. Mercy High School honors the State of Michigan requirement of two semesters of visual, performing, or applied art classes.

- Four studio classrooms and two computer labs
- 24 individual looms and two floor looms for the Fibers class
- Drawing and painting studios with easels and a variety of still-life objects
- A ceramics studio equipped with 11 potter's wheels, a slab roller, and a clay extruder
- Four ceramics kilns with high fire capacity and a jewelry kiln in a separate room for safety/venting purposes
- A jewelry studio with acetylene/oxygen jeweler's torches, drills, and a variety of metal working tools
- Two labs with 52 computers and the Adobe Creative Suite and Final Cut Pro

college preparatory curriculum

Mercy offers a comprehensive program of study in liberal arts and sciences.

Advanced Placement and Honors classes are offered in all academic areas. On average, 80% of Mercy students who take AP exams score 3 or better. Critical thinking and strong written and verbal communication skills are emphasized. Group work and research are incorporated into disciplines to prepare students for the collaborative and dynamic nature of college and professional careers.

Given the competitive college application process, Mercy continually strives to give students the academic edge to gain acceptance to superior colleges and universities.

Mercy students can pursue dual enrollment opportunities at universities to enhance their high school experience and transcript as well as earn college credit. Three college courses are offered at Mercy by professors from Lawrence Technological University. Students also take classes at the University of Michigan - Dearborn, University of Detroit Mercy, Oakland University, Schoolcraft College, Oakland Community College and others depending on interest and location. Students can take courses during the summer or take advantage of the dual enrollment State of Michigan program if courses are taken during the school year.

technology

At Mercy, we use technology with the intent to lead, inspire, create and communicate.

Students powerfully take ownership of their learning through innovative tools that enable collaboration with teachers, peers and other community members. This seamless infusion of technology embodies best educational practices and contributes to the academic success of our students now and after graduation.

- All teachers are Apple Teacher certified and are equipped with an iPad and a MacBook. Apple TVs are deployed to all classrooms to facilitate screen sharing and view instructional video content.

- Recognized by Apple as a Distinguished School for continuous innovation in learning, teaching, and the school environment since 2013.

- All students utilize an iPad with powerful Apps including iMovie, Keynote, Pages, Notability and more.

- Instructional resources, paperless grading and collaborative editing tools are available through our Learning Management System (LMS), Schoology.

- Real time grades and attendance information is available to our families through our Student Management System (SMS), PowerSchool.

- Our I.T. Department and Support Staff are on site and available every school day.

- Our students and staff have access to a wide variety of robust software tools such as Microsoft Office 365, Adobe Creative Cloud and Google Suite.

- Other advanced technology courses offered include: Photography, Film & Animation, Video Production, Digital Graphics, Introduction to Engineering, and Computer Science.

- Students have the opportunity to be technology innovators through various extracurricular activities including our FIRST Robotics Team (The Riveters), CyberPatriots, Coding Club and Women in STEM.

Retreats

The Office of Mission & Ministry offers a four-year retreat program. A different retreat is offered for each grade level. After four years, a student will have a better understanding of herself, her relationship with others, and most especially her relationship with God.

Freshwomen – We welcome the incoming 9th grade class in a special and meaningful day of prayer and community. Students are introduced to who we are as a Mercy school, emboldened by the Gospel and the message of Catherine McAuley.

Sophomores – Students spend the day understanding why, as Christians, we are called to serve. This retreat is held off campus at the Colombiere Retreat Center.

Juniors – With the theme of Finding God in All Things, Juniors are called to look at life through a different lens, a lens that focuses on God. This retreat is held off campus at the Colombiere Retreat Center.

Seniors – We are proud to continue our beloved Mercy tradition, the KAIROS retreat. Seniors are invited to enter into “God’s Time” as they attend a meaningful four-day retreat at St. Paul of the Cross Retreat Center.
