

# Mercy High School New Student iPad Info

***New students can purchase the Mercy iPad package directly from Mercy High School OR purchase an iPad on their own that meets the school requirements.***

**Option 1 - Mercy iPad package:** Included in the Mercy iPad package is a 128 GB iPad, a three-year AppleCare+ warranty, a custom made Mercy iPad case, and all the required apps students need for school use. You will be able to purchase the Mercy iPad Package starting at the first registration date.

***Mercy iPad Package Cost:***

- 128 GB Wifi Only - iPad (5th gen. 2017), \*three-year Apple Care + warranty, Custom Mercy Case, Total Cost: \$583 (Includes \$50 app fee and \$15 order processing fee, price subject to change)

**Option 2 - Bring your Own (BYO) iPad:** If you decide to bring your own (BYO) iPad, you will be required to register the device on the school's management (MDM) server and pay the \$50 app fee.

***Acceptable BYO iPad models and minimum storage capacity:***

- iPad Pro (10.5 in or 12.9 in.) — 64 GB
- iPad (5th gen. 2017) — 128 GB
- iPad Mini 4 — 128 GB

*\*We recommend you buy an AppleCare+ plan with your iPad. However, if you buy your own iPad, you will only be able to purchase a two-year plan instead of the three years offered with the Mercy iPad Package.*

Whichever option you choose, Mercy applies your \$50 one-time app fee to purchase the apps needed for school use at a volume discount (50% off of the retail price). Electronic course textbooks are not included. All new students will be required to attend a short orientation session in late July in order to receive their iPad (Option 1) or get their BYO iPad (Option 2) setup for school use.

More information on the pick up/setup orientations will be available after June 1, 2018 on the school website [mhsmi.org](http://mhsmi.org). If you have further questions, contact the Mercy IT Department at 248-893-3590 or [tfjames@mhsmi.org](mailto:tfjames@mhsmi.org).
