Dear Dan,

We are thrilled to share that Mercy High School, in collaboration with Marian, Regina and St. Catherine of Siena Academy High Schools will host renowned psychologist and New York Times bestselling author Dr. Lisa Damour for a two-day event focused on supporting the mental health and emotional wellness of our community's young women.

As Catholic, all-girls schools, we are united in our mission to empower the next generation of confident, faith-filled leaders. **Dr. Damour will speak to over 2,000 guests** within our Catholic school communities including parents and students, faculty, and special guests across these two impactful days.

- **February 25, 2025**, at the Kingsley Hotel Ballroom, Dr. Damour will equip guests with tools and insights for fostering resilience, self-assurance, and healthy relationships in young women.
- **February 26, 2025** Dr. Damour will meet directly with each schools' students, offering them guidance to navigate challenges with grace, strength, and faith.

Your support will directly contribute to advancing our mission by helping young women develop the mental, emotional, and spiritual tools they need to thrive in today's world. **We invite you to partner by making this transformative event possible through sponsorship opportunities at the following levels: \$2,500, \$1,000, \$500, and \$250.** Please see the sponsor package details enclosed.

If you would like to learn more about becoming a sponsor, please contact J'aimé Law at jlaw@mhsmi.org or 248-893-3582. Sponsorships received by February 14, 2025, will ensure full inclusion in event materials.
