Honor a Mercy Educator

*"No work of charity can be more productive of good to society than the careful instruction of women."
- Venerable Catherine McAuley
Founder of the Sisters of Mercy*

As a Mercy alumna, you know firsthand the benefit of "careful instruction" from dedicated teachers and staff. Teachers who provided you an opportunity to find your voice, who encouraged you to explore your talents and who modeled the Mercy values. We invite you to recognize a special Mercy educator with a Tribute Gift to support the Annual Fund.

Simply complete the enclosed Tribute Card and write a note in honor or in memory of a teacher, counselor or staff who made an impact on your life. You may acknowledge former or present faculty. We will surprise your honored educator with your note during Catholic Schools Week in January.

Gifts to the Annual Fund provide funding for crucial building improvements and educational program enhancements that have an immediate impact at Mercy High School.

Please take a moment to express your appreciation today. Return the Tribute Card along with a donation (no mention will be made of the gift amount). Thank you for your support to honor an educator who made a difference in your life!
