

# MERCY FIGHT SONG

Written by Evelyn Dahmer with help from the FishBowl Fight Song Committee

We are the Marlins big and strong  
If you think we'll lose than you are wrong

We're here to fight and we're here to play  
We show no mercy we're here to stay

We always make sure to bring our best  
We won't back down when put to the test

Maroon and gold they show our pride  
Our success is known far and wide

M-E-R-C-and-Y  
We are Mercy live and die
