This basket allows you to tour the many offerings available – and many found only -- in Kentucky. First, treat your taste buds to a few highly-prized Kentucky Proud TM items including local jams, sweet & spicy pickles and local syrups, then, move on to special hot sauces, cherries and salsa. And any Kentucky tour must include beverages! Your sampling includes a six pack of Kentucky Ale brewed in Lexington, a few bottles of premium bourbon -- as well as some special bourbon drinking glasses. Not to mention a few hidden surprises! Finally, finish it all off with savory Bourbon Balls. From beginning to end, your "Taste of Kentucky" is sure to reward. So bid now, and then, come back and bid again. **920 "To the Finer Things" Kentucky Whiskey Basket**

This basket gives credit to Kentucky – the home of bourbon – with a very special tasting of select, small-batch Kentucky whiskeys. These hard-to-find Bourbons are definitely not prevalent – nor can be found – “Up North”. You'll truly enjoy these favorites – favorites hand-selected after an exhaustive review by Mercy alumnae, spouses and friends. Much, much hard work (and ice), went into these efforts to isolate and create for you just the right – and best – bourbon basket in the city...nay, dare we say the country! (Dare! Dare!) Reward their hard work, late evenings and slow mornings by bidding high! It really is worth it!
